Reserving Your Space - Returning Vendors

In order to reserve space in the 2020 Western Idaho Fair you must submit an application/contract, sent with your booth fee in full and insurance certificate. Submitting application/contracts without the booth fee and insurance certificate may delay processing. Please refer to the insurance requirements sheet for details. If you do not have an insurance requirements sheet, you can request one from your Spectra representative. All vendors who displayed in the 2019 Western Idaho Fair have until April 15th, 2020 to reserve a location for the 2020 Fair. After April 15th all unreserved space will be made available for waiting vendor requests.

2020 Applications - New Vendors

Submitting the space application/contract will also serve as your contract. Application approval is based upon several selection criteria: product balance; uniqueness of product; entry date. Booth Fee is not required until you have been notified you have been accepted into the Fair.
