Ada County and its elected officials, agents, employees, successors and assigns shall be included as Additional Injured under the CGL with the Additional Insured endorsement providing coverage for Completed Operations.

D. Business Automobile Liability insurance providing bodily injury and property damage liability coverage for not less than \$1,000,000 each accident limit. Business Automobile Liability insurance shall be written on a standard ISO policy form, or an equivalent form, providing coverage for liability arising out of owned, hired, or non- owned vehicles in connection with the Exhibitor Privilege Agreement.

E. If the product or service provided by or sold by Exhibitor requires or involves professional services, Exhibitor shall procure Professional Liability insurance with limits of not less than \$10,000,000 per claim and \$10,000,000 aggregate, naming County and Spectra as an additional named insured as stated above. If the insurance required by this section is obtained through a “Claims Made” policy, this coverage or its replacement shall have a retroactive date of not later than the inception of the Agreement. Such insurance or its replacement shall also provide a minimum of five (5) years extended reporting coverage, or the maximum time under the State of Idaho statute of limitations for claims under this coverage, whichever is greater, after the Services are last provided under the Agreement.

F. If Exhibitor does not carry their own required insurance coverage or fails to return proof by July 15th, the County will, through an insurance carrier, provide the coverage at the cost for the insurance coverage of one hundred and ten dollars (\$110.00) and it will be collected as part of the contracted agreement to pay all balances by July 15. Nothing contained herein shall require County to procure any insurance for Exhibitor, and Exhibitor's failure to obtain the required insurance, or pay for the County provided insurance as stated in the contracted agreement shall constitute grounds for termination of the contract and revocation of Exhibitor's right to use Fairground space.

Each exhibitor will be required to have a current certificate of insurance forwarded to the Spectra office in the described amounts on the contract. No booth shall be allowed to open without proper proof of general liability, product liability (if you have products) and workers' compensation in place. Proof of insurance, or payment on a rider (section F above), must be received with initial application. Any contracted exhibitor who has not fulfilled all insurance requirements by July 15 will be jeopardizing their standing in the event and could result in being withdrawn from participating in the Fair.

Each exhibitor is required to provide workers' compensation for any employees. Anyone claiming exemption from providing such must provide a letter to the Fair Office stating the conditions of that exemption (i.e. solely owned and operated, independent contractors, family members living within same household). The Fair is required to have either a letter from you on file, or a workers' compensation certificate. Questions regarding workers' compensation requirements should be directed to the Idaho Industrial Commission at (208) 334-6000.

If you are unable to provide proof of your own insurance, or you wish to purchase a rider on our policy, you may do so for the cost of \$110.00. This provides the necessary bodily injury, product and general liability you are required per contract to have. This does NOT include workers' compensation coverage

If you do not provide proper and complete proof of your own insurance by the July 15 deadline Fair Insurance will be ordered for you and will reflect the same on your invoice at the \$110.00 cost.
