

The Idaho State Tax Commission has revised how they require vendors to register their participation in events. You will see the instructions below for filing via the Tax Commission website. You will need a specific event ID number to put in the new form; you will find those event ID numbers at the bottom of the page.

Here are the directions from the Tax Commission:

Have ALL your event PARTICIPANTS do the following:

1. Go to tax.idaho.gov/GoToTAP
2. Click on "Sellers and Promoters"
3. Choose "Seller WITH Event ID" and then click "Next"
4. Choose "I am going to an event" and then click "Next."
5. Enter the Event ID then click "Next."
6. On the next page your participants will enter their seller information, click "Next," and then verify their information.
7. When they reach the Confirmation page, they're notified that they've been sent an email with the information they need in order to participate in this sales event including a form to display.
8. All participants must complete these steps, even if they're not making sales or if they have a regular seller's permit.
